Dear Residents Living Near Old Orchard Park:

Last month Borough Council awarded a contract to complete the improvements listed below at Old Orchard Park. The Contractor will begin work the first week of April. We've attached two drawings which depict the work that will be performed. The scope of work includes:

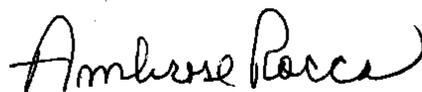

- Lowering the elevation of the open field by approximately 8 feet
- Constructing a combined restroom and shelter structure
- Installing utilities for the restroom and shelter
- Installing a children's playground
- Installing an access road and ten parking spaces
- Installing a sand volley ball court
- Drainage improvements required for the project

The tennis court on the drawings is not part of the project. The construction is estimated to take approximately 90 days. During the construction, it will be necessary to close those areas of the park where work will be performed. We will keep the trail open; however, the trail by the construction zones will be closed. For your safety we ask all visitors to remain in the open areas of the park.

During construction, access to the park will only be available from Old Orchard and Kingridge Roads. The access road off of Rochester Road will be closed.

Should you have any questions, please feel free to call me at 412-364-4115 Ext 310.

Sincerely,

A handwritten signature in black ink that reads "Ambrose Rocca". The signature is written in a cursive style with a large, sweeping initial 'A'.

Ambrose Rocca
Borough Manager
