Under Section 910.2 of the PA Municipalities Planning Code and Section 212-2710 of the Franklin Park Borough Zoning Ordinance,

A. Unnecessary hardship due to unique physical circumstances.

212-2710(1) That there are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of LOT size or shape, or exceptional topographical or other physical conditions peculiar to the particular property and that the unnecessary hardship is due to such conditions and not the circumstances or conditions generally created by the provision of this Chapter in the neighborhood or district in which the property is located.

B. Unique physical circumstances hinder property development.

212-2710(2) That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of the Chapter and that the authorization of a variance is therefore necessary to enable the reasonable USE of property.

C. Unnecessary hardship not created by appellant.

212-2710(3) That such unnecessary hardship has not been created by the appellant.

D. Character of the neighborhood will not change.

212-2710(4) That a variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate USE or DEVELOPMENT of adjacent property, nor be detrimental to the public welfare.

E. Appeal represents the least modification possible.

212-2710(5) That the VARIANCE, if authorized, will represent the minimum VARIANCE that will afford relief and will represent the least modification possible of the regulation in issue.
